WESTFORD UNIVERSITY
- Bachelors of Computer Science

AFRICAN INSTITUTE OF TECHNOLOGY
- Software Development

LANGUAGES

- English
- French

PROFILE SUMMARY

Experienced developer proficient in JavaScript, PHP, C#, and C, with a strong focus on selecting the best technology for each project. Currently exploring the potential of Rust and Zig to further enhance my skill set. I prioritize clean code and robust solutions, and I enjoy working in dynamic teams to bring innovative ideas to life.

WORK EXPERIENCE

Alba Cars   2024 - PRESENT

Full-stack Web Developer

- Developed a CRM system featuring a ticketing system that streamlined communication between real estate agents and admins, resulting in a 40% increase in closed deals.
- Technologies used: Node.js, React.js, Next.js, AWS, MongoDB, PostgreSQL, K8s, Docker.

African Institute of Technology   2021- 2024
